

VOLUNTARY * WEEKLY * FREE

SRCS Student WEEKLY ASYMPTOMATIC TESTING

Weekly asymptomatic testing is an additional safety measure to prevent the possible spread of COVID-19. Without symptoms, many people with COVID-19 infections aren't even aware they are carriers of the virus. As a result, they may not be taking the necessary precautions to isolate themselves and protect others.

- No out of pocket cost for anyone taking the test
- Pre-Registration is required (see links / QR codes below)
- Self-administered shallow nasal swab
- Results within 3 days

NOTE: This is NOT for anyone with symptoms, please see these locations for anyone testing WITH symptoms:

- [Sonoma County Testing Locations](#)

Drop-In Non-Symptom Services (Pre-registration required)

When: Every Tuesday and Thursday
3:00pm - 5:00pm

Where: Lewis Early Learning Academy
2230 Lomitas Ave
Santa Rosa, 95401

To Pre-Register, use the QR code/link below:
