

SRCS / SRTA Negotiations Update

Negotiations Public Update:

March 6, 2024

Santa Rosa City Schools (SRCS) and the Santa Rosa Teachers Association (SRTA) met on Monday, March 4, for another negotiation session. The focus of the discussions included safety, transfers and reassignments, hours and days of employment, and leave of absence provisions. A subcommittee will be meeting next week to continue negotiations around the safety article.

We appreciate the collaborative efforts undertaken by both parties to address mutual interests and ensure the well-being of everyone in the Santa Rosa educational community.

The next negotiations meeting is scheduled for Thursday, March 28, where we anticipate further constructive discussions. We remain open to dialogue and collaboration, aiming to reach an agreement that ultimately benefits our students and families.

Sincerely,
